T
won - der, won-der I won - der, — won - der, won - der, won-der I

B
ah _____

1. Generally, text commas are to be interpreted with a "lift" or a catch breath.
2. Arrows in mm. 60 & 84 indicate that there is no break in the phrase.
3. The dynamic shaping of the melody should be natural, and folk like.
4. Sing this with flexibility and expressive nuance; tempo indications are suggestions only.

12
